

Sponsor KPY in 2019

KPY (Kings Park Youth Athletic Association) is a non-profit, all volunteer organization that has been coordinating and supporting youth sports leagues in Kings Park for over 50 years. KPY is offering sponsorship opportunities to local businesses and individuals. These sponsorships provide outstanding opportunities to reach the families of over 1,000 children who participate in our KPY sports programs throughout the year. (Baseball, softball, football, cheerleading, & basketball) In addition to advertising for your business, these sponsorships help provide financial support for these important athletic programs for our children—right here in Kings Park.
