

KPY 2024 Sponsorship Packages & Rates

Kings Park Youth Athletic Association (KPY) is a non-profit, all volunteer organization that has been coordinating and supporting youth sports leagues in Kings Park for over 60 years. KPY is offering sponsorship opportunities to local businesses and individuals. These sponsorships provide outstanding opportunities for the families of over 1,000 children who participate in our KPY sports programs (baseball, softball, football, cheerleading & basketball) throughout the year. Funding received from your sponsorships entitles advertisement for your business in addition to providing financial support for the athletic programs so we can offer our children a safe and fun environment to learn and develop athletic skills, teamwork and sportsmanship in Kings Park. Please help make a positive difference in the lives of the Kings Park Youth players and consider one of the following yearly sponsorship opportunities:
